President's Dispatch

Submitted by Edward Munger Jr.

Greetings Compatriots. My chapter update must begin sadly with recognizing the loss of Joyce C. Armstrong, a member of the Daughters of the American Revolution and fixture at our Chapter Meetings. Joyce Armstrong accompanied her longtime companion Duane Booth, our Chapter's former President, to meetings for years. Joyce's list of accomplishments and activities are many. A nurse for 20 years, she was secretary of the NAACP and a longtime member. She was also a

member of Stephentown Seniors and the Stephentown Historical Society. Our thoughts and prayers are with our brother Duane and the friends and family of Joyce Armstrong.

A note of gratitude – our Chapter

Webmaster, Compatriot Dennis Booth, updated our website a while back. He's thoughtfully maintained the chapter's website and email for years now. Many thanks for the great work, Dennis.

Meet Chapter Secretary Michael A. Hernandez

Submitted by Michael A. Hernandez

A graduate of SUNY Albany (BA, History), Michael has

worked at the New York State Legislature in various capacities over the last fifteen years including as: a Legislative Aide for former Assemblyman George A. Amedore Jr., a Legislative Analyst for former State Senator Jose R. Peralta, and a Legislative Policy Analyst for former State Senator Chris Jacobs.

He currently serves as a Legislative Aide for Assemblyman Jeffrion L. Aubry, Speaker Pro Tempore.

During the past twenty years, Michael has pursued his love of history by volunteering at the New York State Military Museum, Empire State Aerosciences Museum, and the National Warplane Museum.

For several years, he also volunteered as a living historian,

Michael A. Hernandez

focusing on the World War II period. The annual encampment at the FDR Library in Hyde Park was one of his favorite events to participate in, not only because of the location, but because of the opportunity to engage with the public throughout the weekend's festivities.

This passion for history and education is attributable in large part to his great aunt (Gladys Newbold) and great grandmother (Alice Banta), the latter of whom served as the

Historian of the Village of Hagaman (Montgomery County, NY), where Michael was raised and where his family has lived for generations.

In addition to his involvement with the Sons of the American Revolution, Michael is also an active member of two other lineage societies: The Sons of Union Veterans of the Civil War (Camp Council Member & Patriotic

Instructor) & The Holland Society.

He also serves as an officer of several of Albany's Masonic organizations including: Mount Vernon Lodge 3, F. & A.M. (Secretary), Ancient Temple Chapter No. 5, R.A.M. (Trustee), & Bloss-DeWitt Clinton Council No. 14, R. & S.M. (Secretary).

Last year Michael and his wife, Dr. Katherine E. Slye-Hernandez, Ph.D. bought their first home in the Town of Colonie.

Chapter Wins New Member Award

Congrats to the Saratoga Battle Chapter for winning the Empire State Society's 2nd Place New Member Prize.

The chapter was notified of the \$100 prize through a letter to our Treasurer, David Flint. Many thanks to our Registrar, Thomas L. Dunne and Genealogist Duane P. Booth for their hard work enlisting new members into our organization.

Rhodes Memorial Fund Supports Chapter

Our gratitude to the Rhodes Memorial Fund for its generous donation of \$2,000 to the Saratoga Battle Chapter's Patriotic Programs.

The Lawrence I & Eleanor H. Rhodes Memorial Fund, Inc. is a private foundation with a mission to help tax-exempt, nonprofit organizations in carrying out programs, according to director Dennis F. Marr, a Compatriot of the Saratoga

Battle Chapter.

The foundation does not solicit donations but seeks out organizations to support which are best suited to their mission. Donations may be recurring or one-time.

The fund has made several donations to the Chapter in years past, and they are most appreciated!
