### **PRESIDENT'S MESSAGE**

Douglas M. Gallant

Greetings Compatriots! I have just a few things to share as I become acclimated to my new and unexpected role as President of our Chapter. My SAR-related life has become quite busy as I transition into the position of President and out of the role of Treasurer at the Chapter level while also supporting the upcoming 2017 dues billing at the State level. As such, I have not yet had time to articulate any specific Chapter-level goals although I do have a few ideas kicking around. My immediate focus is ensuring that the Chapter continues to function effectively and without disruption.

### **CHAPTER OFFICER CHANGES**

Douglas M. Gallant

At the beginning of August, President George Malinoski resigned from his position. He explained that due to family health issues and the associated care needs that he had insufficient time to carry out his duties with the Chapter. So with deep regret he thought it best to resign. We wish George and his wife improved health for the future and hope that he may be able to participate fully with us again.

This event has triggered a couple of changes in the Chapter. First Vice President Douglas Gallant will be assuming the role of President through the remainder of George's term which expires in February 2017 at the next annual meeting.

Doug was also the Chapter Treasurer but the Chapter by-laws prohibit the same person from holding both the position of President and Treasurer. As a result, Compatriot David Flint has been appointed the new Treasurer.

### **IN OUR MEMORY**

We were saddened by the news of the passing of compatriot Albert J. Goodwin, Jr. Albert was a dual member of our chapter, his primary chapter being Walloomsac Battle. Albert was an Air Force veteran, having served from 1952-1958. He also belonged to SR. He was buried in the Saratoga National Cemetery. We extend our condolences to his family.

### **JULY 4<sup>th</sup> CITIZENSHIP CEREMONY**

Once again, the chapter participated in the annual New Citizen ceremony at the Saratoga Battlefield. 21 new citizens from 13 countries took the oath of citizenship. The event featured 18<sup>th</sup> century music, musket and cannon salutes and a toast to the Declaration of Independence. "This is not only a special occasion for these new citizens to take the oath of allegiance, but it is a moment for all of us to recommit to the ideals and tenets that our new citizens are embracing today," Battlefield Superintendent Amy Bracewell said.
